### § 30120. Remedies for defects and noncompliance

(a) WAYS TO REMEDY.—(1) Subject to subsections (f) and (g) of this section, when notification of a defect or noncompliance is required under section 30118(b) or (c) of this title, the manufacturer of the defective or noncomplying motor vehicle or replacement equipment shall remedy the defect or noncompliance without charge when the vehicle or equipment is presented for remedy. Subject to subsections (b) and (c) of this section, the manufacturer shall remedy the defect or noncompliance in any of the following ways the manufacturer chooses:

(A) if a vehicle—

- (i) by repairing the vehicle;
- (ii) by replacing the vehicle with an identical or reasonably equivalent vehicle; or
- (iii) by refunding the purchase price, less a reasonable allowance for depreciation.

(B) if replacement equipment, by repairing the equipment or replacing the equipment with identical or reasonably equivalent equipment.

(2) The Secretary of Transportation may prescribe regulations to allow the manufacturer to impose conditions on the replacement of a motor vehicle or refund of its price.

(b) TIRE REMEDIES.—(1) A manufacturer of a tire, including an original equipment tire, shall remedy a defective or noncomplying tire if the owner or purchaser presents the tire for remedy not later than 60 days after the later of—

(A) the day the owner or purchaser receives notification under section 30119 of this title; or

(B) if the manufacturer decides to replace the tire, the day the owner or purchaser receives notification that a replacement is available.

(2) If the manufacturer decides to replace the tire and the replacement is not available during the 60-day period, the owner or purchaser must present the tire for remedy during a subsequent 60-day period that begins only after the owner or purchaser receives notification that a replacement will be available during the subsequent period. If tires are available during the subsequent period, only a tire presented for remedy during that period must be remedied.

(c) ADEQUACY OF REPAIRS.—(1) If a manufacturer decides to repair a defective or noncomplying motor vehicle or replacement equipment and the repair is not done adequately within a reasonable time, the manufacturer shall—

(A) replace the vehicle or equipment without charge with an identical or reasonably equivalent vehicle or equipment; or

(B) for a vehicle, refund the purchase price, less a reasonable allowance for depreciation.

(2) Failure to repair a motor vehicle or replacement equipment adequately not later than 60 days after its presentation is prima facie evidence of failure to repair within a reasonable time. However, the Secretary may extend, by order, the 60-day period if good cause for an extension is shown and the reason is published in the Federal Register before the period ends. Presentation of a vehicle or equipment for repair before the date specified by a manufacturer in a notice under section 30119(a)(5) or 30121(c)(2) of this title is not a presentation under this subsection.

(3) If the Secretary determines that a manufacturer's remedy program is not likely to be capable of completion within a reasonable time, the Secretary may require the manufacturer to accelerate the remedy program if the Secretary finds—

(A) that there is a risk of serious injury or death if the remedy program is not accelerated; and

(B) that acceleration of the remedy program can be reasonably achieved by expanding the sources of replacement parts, expanding the number of authorized repair facilities, or both.

The Secretary may prescribe regulations to carry out this paragraph.

(d) FILING MANUFACTURER'S REMEDY PROGRAM.—A manufacturer shall file with the Secretary a copy of the manufacturer's program under this section for remedying a defect or noncompliance. The Secretary shall make the program available to the public and publish a notice of availability in the Federal Register. A manufacturer's remedy program shall include a plan for reimbursing an owner or purchaser who incurred the cost of the remedy within a reasonable time in advance of the manufacturer's notification under subsection (b) or (c) of section 30118. The Secretary may prescribe regulations establishing what constitutes a reasonable time for purposes of the preceding sentence and other reasonable conditions for the reimbursement plan. In the case of a remedy program involving the replacement of tires, the manufacturer shall include a plan addressing how to prevent, to the extent reasonably within the control of the manufacturer, replaced tires from being resold for installation on a motor vehicle, and how to limit, to the extent reasonably within the control of the manufacturer, the disposal of replaced tires in landfills, particularly through shredding, crumbling, recycling, recovery, and other alternative beneficial non-vehicular uses. The manufacturer shall include information about the implementation of such plan with each quarterly report to the Secretary regarding the progress of any notification or remedy campaigns.

(e) HEARINGS ABOUT MEETING REMEDY REQUIREMENTS.—On the motion of the Secretary or on application by any interested person, the Secretary may conduct a hearing to decide whether the manufacturer has reasonably met

the remedy requirements under this section. Any interested person may make written and oral presentations of information, views, and arguments on whether the manufacturer has reasonably met the remedy requirements. If the Secretary decides a manufacturer has not reasonably met the remedy requirements, the Secretary shall order the manufacturer to take specified action to meet those requirements and may take any other action authorized under this chapter.

(f) **FAIR REIMBURSEMENT TO DEALERS.**—A manufacturer shall pay fair reimbursement to a dealer providing a remedy without charge under this section.

(g) **NONAPPLICATION.**—(1) The requirement that a remedy be provided without charge does not apply if the motor vehicle or replacement equipment was bought by the first purchaser more than 10 calendar years, or the tire, including an original equipment tire, was bought by the first purchaser more than 5 calendar years, before notice is given under section 30118(c) of this title or an order is issued under section 30118(b) of this title, whichever is earlier.

(2) This section does not apply during any period in which enforcement of an order under section 30118(b) of this title is restrained or the order is set aside in a civil action to which section 30121(d) of this title applies.

(h) **EXEMPTIONS.**—On application of a manufacturer, the Secretary shall exempt the manufacturer from this section if the Secretary decides a defect or noncompliance is inconsequential to motor vehicle safety. The Secretary may take action under this subsection only after notice in the Federal Register and an opportunity for any interested person to present information, views, and arguments.

(i) **LIMITATION ON SALE OR LEASE.**—(1) If notification is required by an order under section 30118(b) of this title or is required under section 30118(c) of this title and the manufacturer has provided to a dealer (including retailers of motor vehicle equipment) notification about a new motor vehicle or new item of replacement equipment in the dealer's possession at the time of notification that contains a defect related to motor vehicle safety or does not comply with an applicable motor vehicle safety standard prescribed under this chapter, the dealer may sell or lease the motor vehicle or item of replacement equipment only if—

(A) the defect or noncompliance is remedied as required by this section before delivery under the sale or lease; or

(B) when the notification is required by an order under section 30118(b) of this title, enforcement of the order is restrained or the order is set aside in a civil action to which section 30121(d) of this title applies.

(2) This subsection does not prohibit a dealer from offering for sale or lease the vehicle or equipment.

(j) **PROHIBITION ON SALES OF REPLACED EQUIPMENT.**—No person may sell or lease any motor vehicle equipment (including a tire), for installation on a motor vehicle, that is the subject of a decision under section 30118(b) or a notice required under section 30118(c) in a condition that it may be reasonably used for its original purpose unless—

(1) the defect or noncompliance is remedied as required by this section before delivery under the sale or lease; or

(2) notification of the defect or noncompliance is required under section 30118(b) but enforcement of the order is set aside in a civil action to which section 30121(d) applies.

#### § 30121. Provisional notification and civil actions to enforce

(a) PROVISIONAL NOTIFICATION.—(1) The Secretary of Transportation may order a manufacturer to issue a provisional notification if a civil action about an order issued under section 30118(b) of this title has been brought under section 30163 of this title. The provisional notification shall contain—

(A) a statement that the Secretary has decided that a defect related to motor vehicle safety or noncompliance with a motor vehicle safety standard prescribed under this chapter exists and that the manufacturer is contesting the decision in a civil action in a United States district court;

(B) a clear description of the Secretary’s stated basis for the decision;

(C) the Secretary’s evaluation of the risk to motor vehicle safety reasonably related to the defect or noncompliance;

(D) measures the Secretary considers necessary to avoid an unreasonable risk to motor vehicle safety resulting from the defect or noncompliance;

(E) a statement that the manufacturer will remedy the defect or noncompliance without charge under section 30120 of this title, but that the requirement to remedy without charge is conditioned on the outcome of the civil action; and

(F) other information the Secretary prescribes by regulation or includes in the order requiring the notice.

(2) A notification under this subsection does not relieve a manufacturer of liability for not giving notification required by an order under section 30118(b) of this title.

(b) CIVIL ACTIONS FOR NOT NOTIFYING.—(1) A manufacturer that does not notify owners and purchasers under section 30119(c) and (d) of this title is liable to the United States Government for a civil penalty, unless the manufacturer prevails in a civil action referred to in subsection (a) of this section or the court in that action enjoins enforcement of the order. Enforcement may be enjoined only if the court decides that the failure to notify is reasonable and that the manufacturer has demonstrated the likelihood of prevailing on the merits. If enforcement is enjoined, the manufacturer is not liable during the time the order is stayed.

(2) A manufacturer that does not notify owners and purchasers as required under subsection (a) of this section is liable for a civil penalty regardless of whether the manufacturer prevails in an action on the validity of the order issued under section 30118(b) of this title.

(c) ORDERS TO MANUFACTURERS.—If the Secretary prevails in a civil action referred to in subsection (a) of this section, the Secretary shall order the manufacturer—

(1) to notify each owner, purchaser, and dealer described in section 30119(d) of this title of the outcome of the action and other information the Secretary requires, and notification
